Limitation of liability.

Mountain skiing, alpine skiing and other activities carried out in the mountains, and/or vertical activities, are highly dangerous and can cause serious injuries.

It is the responsibility of the client to be technically apt for the use of all materials that SkiLab provides.

The client commits to the **full payment of lost, stolen or damaged equipment.**

In the case that the client returns equipment before the agreed date, the delivery must be made before 10:00 or the day will be charged. The equipment will be checked with the client, and any damages will be paid for by the client.

Normal scratches from the days mountain skiing are NOT considered damages. Damages are: misuse of the equipment, causing parts to be broken off, this devaluates the product and forbids the safe use of the equipment for other skiers. Also: manhandling fixtures, snaggings, cuts caused purposely, painting or writing on the equipment, and anything else that devaluates the equipment or endangers further use.

It is possible to buy the rented equipment for a discounted price. In these cases, SkiLab will prepare the Skis, leaving them as good as new.

We offer the possibility of seasonal rental, with the option to buy at the end of Season. Enquire for more details.

On returning the equipment, we will check for damages. The deposit will be returned if no damages are found. Also, the client will receive a SkiLab voucher for 10% discount on purchasing or repairing equipment.

SKI TEST/ DEMO.

Within León city, the client can ask that we deliver the equipment to their home for trial, in this case, home delivery holds no further cost for the client. In order to receive this service, you must be registered on our WEBPAGE, and show upon request your identity document and credit card.

The ski test/demo is free for those interested in purchasing. If, finally no purchase is made, a rental fee will be charged dependant on make and model.
